The customers should not be able to booking the same appointment in the same salon by two different staff-members.

Review function

It is generally unclear where one reviews the salons. How do the reviews work?

Suggestion: 24 hours after a completed booking, the customer receives an email asking to review their visit. This email has a link to the review page where the customer can submit their review. After posting review, the saloon must approve review before it becomes visible on the saloon page.

En pH-balancerende og sulfatfri hårkur der samtidig virker som en rense- og fugtmaske til håret. Sammen med Pyunkang yul's Low pH Scalp Shampoo vil denne hårkur fuldende en optimal pleje af alle hårtyper, med fokus på hårets styrke, volumen og elasticitet. Efterlader håret silkeblødt og skinnende.

Med planteafledte overfladeaktive stoffer, vil hårkuren sikre en mild og skånsom pleje uden at fjerne hovedbundets naturlige olier. Dette sikrer at håret ikke tørre ud og forbliver fugtet og livlig.
