- Play store:- https://play.google.com/store/apps/details?id=com.dillkebaat.nauman&hl=en_IN
- App store:- https://apps.apple.com/us/app/dilkebaat/id6464308996?l=pt-BR

Peschef – Food Delivery App

- Developed a food delivery app with real-time order tracking for seamless user experience.
- Integrated GPS-based tracking to allow users to monitor their order status in real-time.
- Ensured secure payment processing for user transactions and order confirmations.
- Play store:- https://play.google.com/store/apps/details?id=it.peschef.peschef
- App store:- https://apps.apple.com/us/app/peschef/id6477377418

📣 Contribution

text_selection_intent

Published a flutter plugin on pub.dev that adds a custom app action to the Android text selection menu, allowing selected text from other apps to be sent directly into a flutter app. Link:- https://pub.dev/packages/text_selection_intent

instagram_login

Developed a custom Flutter package to enable Instagram login functionality in mobile applications, helping users authenticate through Instagram with ease. Link:- https://pub.dev/packages/instagram_login
