- Need to link headings with blog page.

32. Can we add a floating Whatsapp Chat button to the website?

- Yes we can add whatsapp chat button. We need to use app for this.

33. Or it can be added in the Connect Column of the Footer

- We'll add it the right bottom of screen so it will display all time for customer.

34. On the Product Page, only 3-5 Products should show as People Also Liked. Currently it shows a lot of products.

- Sure I'll update this section on product page.

35. People Also Liked should be from the same gender. And if possible from a different product category.

- Sure, its possible to show the different product category to the same gender.

36. We need to redesign the 5% Off Pop-Up

- Okay, I'll make it more attractive and clean.

37. There is a 10% First Time Buyer offer. How should we communicate this? Should we have a Floating Button convey this?

- For 10% First Time Buyer, we should add floating announcement bar in top.

38. We need an EXIT Data Capture Pop-Up. Please advise.

- Please elaborate EXIT Data Capture Pop-Up. When you want to capture data from popup like after placing order or exit to the website?

39. We should be able to see colour variants when moving the cursor over a product image.

- Where you want this feature on collection page products?

40. For the April 24 Drop Section, we need a PopUp/ Form to collect data.

- On click on Notify Me button , I'll open the popup please confirm what fields you want on this popup.

41. We are adding more details to Products. Will share the details with you soon. This will be implemented from our next collection launching in April.

- Yes Please share the detail so that I can add into products.

42. Need to link and showcase our instagram feed on homepage. How do we connect SHOP on Instagram?

- I need your instagram detail to show the insta feed.

43. On the Category/ Collection Page, can the Sort By be set to default? Or is it decided by the customer?

- It think it should be short or decided by customer.

44. The UN Arrows Logo in header menu needs to be changed.

- Please share the logo I'll update in header.

45. The Collection / Category pages should load automatically. Currently has a Load More button.

- We can add auto load on scroll functionality for collection page.

46. We have the WE ARE GOTS, GRS & OCS Certified scrolls active now. We can replace the top one or add another somewhere with the 10% Off message?

- Yes we can replace. But as per me we should display 10% in above announcement bar.

47. We can introduce banners for some collections/ categories like Period Panties, etc.

- Yes please share the banner I'll add it. It'll look more better on collection page.

48. On Mobile, can you make the Created by DISCover India Studios in one line please.

- Yes, I'll.

49. Should we have the Guaranteed & Secure Payments, Payment Partner logos on the Homepage footer?

- Yes, definitely we should have Guaranteed & Secure Payments, Payment Partner logos on the Homepage footer.

50. WHAT CLIENTS ARE SAYING on Testimonial Section should change to GRATEFUL FOR ALL

THE LOVE

- Do I need to change same in all slides?

51. The Logos on the Certifications Page need to have white text/ dates for Dark Mode

- Okay, I'll fix it.

52. The Certifications page needs to look better. The logos can be resized. Some space should be given after each section.

- Yes, I'll redesign it to make better.

53. We must link the International Agencies that have issued the Certificates.

- Please share that International Agencies links.

54. We need a form for people who want to collaborate. Can be linked from the footer..

- Please elaborate it more. What kind of collaboration? What fields should be in form?

55. Can we change the order on the Collections/ Categories page manually? Currently it is set to alphabetical.

- Yes we can change, I'll share the video how you can change it manually.

56. Please Hide the COMING SOON Category/ Collection. But it should still show on the HOME PAGE/ Coming Soon Section

- OKay, I'll hide that collection.

57. Remove TOPWEAR from Collections.

- OKay, I'll remove it from collections.

58. Remove VIEW ALL from People Also Liked Section.

- Need to remove the VIEW ALL from People Also Liked Section.

59. Check Total Number of Products when in SHOP

- I'll check it when you'll share the access.

60. New Pricing Update for Rest of the world to be updated soon.

- Please share the price listing so that I can update. Do you want different prices for different countries?

61. Shipping to be integrated making cost of shipping transparent if possible.

- How you want to calculate shipping charges(Like by price, by weight, by location etc)? Please elaborate it more so that I can create shipping accordingly.
